

DO NOT ALLOW THE INDIANA NO CALL LIST TO BE UNDONE!!!

It is so great not to have to listen to all of those calls!!  
we've been on the list since it's inception & it is great.  
Especially for my mother, who is 90 & hard of hearing & has  
trouble moving fast. she gets upset enough when friends call  
at supper time - she was really upset when she got all of those  
solititation calls while she was trying to cook, and then she coldn't understand  
what they said. we have enough trouble with  
wrong numbers - we don't need a bunch of extra calls that don't  
want to take no for an answer!!

DO NOT ALLOW THE CBA (OR ANYONE ELSE) TO GET AROUND THE  
NO CALL LIST!!!! LET US KEEP OUR NO CALL LIST - IT IS  
OUR INDIVIDUAL DECISION TO JOIN THE LIST - YOU ARE NOT ON  
IT UNLESS YOU WANT TO BE ON IT!!!!
